

Team Involvement in Demonstration

Date	05 July 2026
Team ID	
Project Name	Darshan ease
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Charan N.	Team Lead & Presenter	Project Overview, System Architecture, Backend Development	Led the project, managed backend APIs, coordinated development, and integrated all project modules.	Active
2	Kuruba Harshitha	Frontend Developer	User Interface & Frontend Development	Developed responsive React.js pages, integrated frontend with backend APIs, and improved the user interface.	Active
3	Vallepu Hemalatha	Testing & Performance Engineer	Testing & Performance Evaluation	Performed functional testing, API testing, performance testing, debugging, and	Active

				validated the complete application.	
4	Sandhya	Database & Integration Developer	Database Management & Module Integration	Designed MongoDB collections, handled database integration, and ensured smooth communication between frontend and backend.	Active
5	Salman	Backend Developer	Authentication & Booking Management	Implemented JWT authentication, booking management, donation module, and role-based access control.	Active
6	Team Collaboration	Support Role	Documentation & Final Demonstration	Assisted in project documentation, presentation preparation, issue fixing, project review, and final demonstration.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Charan.N
Overall Team Coordination Rating (1-5)	5
Any issues during demo	Minor API response delay and frontend synchronization issues during live testing
How issues were resolved	Team quickly fixed API handling, refreshed services, and coordinated module integration to continue the demo smoothly
